Stories from the Adventure

ALANA ROY

★★★★★

« It was a fantastic trip! The welcome pack and the padel pack are among the best I've seen in a long time. The padel training was not only well-organized, but I also had a great time playing matches and in the final tournament. The party was a lot of fun! I'm glad there were transfers, as the Magna Padel Experience team took great care of us. Without a doubt, an unforgettable experience. »

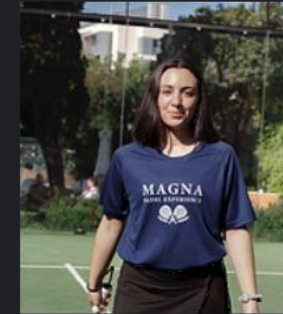

« My experience with Magna Padel Experience was exceptional. I play padel quite often, and I was pleasantly surprised by the quality of the club, one of the best, with excellent facilities and a beautiful natural environment. The classes with the professional instructors helped me improve my game while also providing entertainment through exciting matches. If you're a padel enthusiast, this weekend is a must! »

JOSEPH NILSSON

★★★★★

« I love to travel, and honestly, I had one of the best experiences in three days that I could imagine. I was very surprised by the schedule, and the padel experience was really good. I especially recommend letting yourself go, which is very easy because you can tell that the organization has everything under control, very professional. I hope to come back soon! »

ELENA MARTHESE

★★★★★

« I may not have a high level, but it was not a hindrance at all. In fact, I would highlight the tournament, where you can see players of different levels, and the clinic with the professional instructors who help and accompany you. I liked the detail of stretching before starting and how Alfred was attentive to us for anything we needed. Barcelona was incredible, not only the sunset we witnessed, but also the food and the atmosphere of the people. I enjoyed it a lot! »
